## **Class Outfit Available in the Office NOW!!! Payments due ASAP!**

All team members are required to wear their class outfit to class regularly. Please purchase your class outfits as soon as possible. Class outfits help build team unity, provide structure and discipline in the classroom and help teachers make technique corrections. It is extremely important that students wear the correct class outfit every class time! Teacher will enforce the dress code. Students who are not dressed in their uniform will be asked to call home. Thank You in advance for helping your students be dressed appropriately for class. ☺
