

EMAIL SENT -5-15-2012

New CHEER combined practice Tuesday, June 5 - this will be a dress rehearsal in your new recital costume to review our combined "Elvis" routine and practice the new "Jackson" recital class routines in your new costume.

- Minis 4:45 – 6:30
- Seniors 5:00 – 7:00

We will be competing 2 routines at Lagoon, the "Elvis" combined routine and then the new "Jackson" class Recital routines. Both uniforms will need to be brought to Lagoon.

In order for the girls to change in private we need a couple families with large tents to bring and set them up for the girls to change in. There is not a dressing room and the bathrooms are often overcrowded and too far away if we have a fast change. Please let me know if you can help out with this! We really appreciate it!

Because the girls will be competing an additional routine, an \$8.00 charge has been added to your account (the competition director was so kind to give us a great discount on the additional routine!) Please make your payment along with your June Tuition before the end of the month so you can obtain your new costume next week. You can pay online or in the office.

We will not know the line up or time of the competition until about a week prior to the competition, but we will send a note and email out as soon as we receive the information. We will send home discount ride coupons for the dancers and family members along with a discount parking passes. If you need additional coupons, you can pick up more in the office.

Coach Kensley has a fun plan to all (Cheerleaders and Families) eat Lunch together as she has made some special awards she would like to distribute to the girls. So plan to eat together, bring a picnic or grab food at Lagoon and we will let you know the time as soon as we get details on our performance times.

We are so excited for Lagoon and the competition! You are working hard and looking good!

GO SDA CHEER!!!

Love, Heidi & Coach Kensley

p.s.

Don't forget to make your plan for recital by looking at the [Dress Rehearsal Schedule](#) and [Program Order](#) for June 26th. [Here](#) is also a link to the combined practices that will be held after Lagoon in preparation for Recital.

If you have any questions, let me know. THANKS SO MUCH! - Heidi
